### Narrative of Events (BEGUHN, C. D.)

On 02-10-19 at approximately 03:27 I, Lt Beguhn, heard officers at the Brown County Jail notify jail that a male subject (Jason R Thompson 02-25-1972) had gone unresponsive at the Brown County Jail and that CPR was in progress and rescue was requested. I communicated with Sgt Hamill who advised that he was already enroute to the jail.

I spoke with Sgt. Hamill about 20-30 minutes later via phone and was advised that the male was still unresponsive and CPR still in progress. I was also informed that Thompson was going to be transported the Aurora Hospital. A short time later after Thompson arrived at Aurora Hospital I was informed that he had died.

Notifications were made to Commander Warych and Investigations Captain Richgels.

I spoke with Brown County Sherriff's Department Chief Deputy Brodbeck. After speaking with him it was determined that WI DCI would be requested to investigate. I had Green Bay TTY send a request to DCI to investigate. I later spoke via phone to DCI Special Agent Sasse and Special Agent In Charge Wisch. I briefed them on the situation.

I received the radio and initial call audio from the Brown County Communications Center via email and attached it to the case.

### Narrative of Events (LINSMEYER, P. A.)

On 2/10/20 while working uniformed patrol for the city of Green Bay as 4D3, I was asked to obtain names and contact information for the workers at St. Johns shelter. Specifically from during the time that Jason R. Thomson (2/25/1972) had been picked up by rescue.

Upon arrival I made contact with staff, who advised me that all staff that had been there already went home for the night. I was given a roster of the volunteers, which contained their first and last names as well as contact numbers for the volunteers.

Staff working when Jason had been picked up by rescue:

Ethan Planke (715)-548-1955

Ajia Meeks (313)-460-8013

Ron Skaleski (920)-863-6266

Judy Bushy (920)-360-3956

Kiersten McCaigue (619)-938-5860

Shevaun Reid (920)-562-6223

Also working was a male named "Tom" but staff did not have any further information for him.

This concludes my report.

### Narrative of Events (HAMILL, S. C.)

On 02-10-20 at 0240 hours, I was on uniformed patrol as 488S. I was assigned to the night shift as a patrol sergeant. I heard officers dispatched to St Vincent 's Hospital for an out of control patient. St Vincent 's Hospital is at 835 S Van Buren St, City of Green Bay, Brown County, WI. My assistance was requested by Officer Kuptz on a separate incident, a traffic stop, on S Onelda St and Badger Ln, so I responded to his location to assist Officer Kuptz and Russell. Meanwhile, SGT Behn responded to the call at St Vincent 's. I heard on the radio that officers were fighting with the male at St Vincent 's, then

shortly after, reported that he was in custody. I believe I heard over the radio that the male had been placed in a Wrap evic. Officer reported over the radio that they were enroute to jail with an uncooperative male.

At 0326 hours, I heard an officer call out on the radio that Rescue was needed at the jail for a male not breathing. Rescue was requested "33 " which is code for an emergency response. They reported that CPR was in progress. I responded to the Brown County Jail at 3030 Curry Ln, City of Green Bay, Brown County, WI to assist. I arrived at the jail at 0336 hours. I pulled my patrol car into the sally port (garage) area of the jail. As I was pulling in, I saw that a Green Bay Metro fire truck was parked outside. A Green Bay Metro rescue squad was inside the sally port. Officers Vaubel, Harvath, and Pineda were in the sally port. Officer Harnish entered the sally port on foot with me, but left shortly after as his assistance was not needed. Upon my arrival, rescue was performing CPR on the suspect, Jason R Thomson 02-25-72. Thomson was lying on his back and was not in any restraints at this point. Rescue continued with CPR for another estimated 5-10 minutes. Rescue ended up transporting Thomson to Aurora Baycare Medical Center. I directed Officer Harvath, Pineda, and Vaubel to follow rescue to Aurora.

There were also several jail staff in the sally port at this time, including Corporal West. I spoke with Corporal West and he informed me that himself, Lt Shartner, Officer Hains, and Nurse Rebecca Warren had been involved in the intake process of Thomson. Lt Shartner informed me that surveillance video of the sally port may be available, but he did not have access to the video. Corporal West turned over to me a large clear plastic bag of used medical supplies that had been collected from the sally port of the jail. I did not inspect the contents of the bag in detail, but did see used syringes and wrappers inside the bag. I later turned this bag and its contents over to Captain Richgels.

Officer Russell's patrol car number 41 was parked in the sally port behind the patrol car of Officers Harvath and Pineda. It

appeared that the Getac camera in Officer Russell's patrol car was recording. I later confirmed that the camera was in fact recording and had video uploaded to GERP under report 20-201578.

I began to respond to Aurora Baycare medical center and spoke with Officer Harvath by phone while enroute. At approximately 0410 hours, Officer Harvath informed me that ER staff appeared to have stopped lifesaving efforts on Thomson. I called the shift commander, LT Beguhn, and informed him of this update. I continued to Aurora and was informed

by ER Doctor Jane Witman that Thomson had a time of death of 0409 hours.

I responded to the GBPD and briefed Captain Richgels on the incident. I later also spoke with DCI Special Agent Waterstreet.

### Narrative of Events (RAKERS, J. H.)

On 12/07/2022, I, Evidence Technician J. Rakers, was contacted by Detective Lieutenant J. Allen and asked to meet him in the lobby to receive evidence pertaining to this case from Wisconsin Division of Criminal Investigation Special Agent Bradley Kust. Det. Lt. Allen and I met with Agent Kust, who provided me with evidence items that I then entered into this report as exhibits 465001 through 465006. All items were retained in the sealed packaging provided by DCI. Since the factory seals on exhibits 465002, 465003 and 465004 were not dated/initialed, I added today's date and my initials to each.

A copy of the signed evidence receipts received from Special Agent Kust have been scanned into the case attachments.
